

RENO RENEGADE SAMs

The Reno Renegade Sams were chartered by the Good Sam Club in September, 1987 and we have been going strong ever since. Our members range in age from the mid-fifties to a very young 83! We may have started as a group of Reno based RVers, but as we have grown older, we have expanded our horizons. Our members now reside in such diverse places as Sparks, Carson City, Dayton and even Truckee, CA.

Our chapter participates in various community activities. We join other Good Sam Chapters annually in the National Clean Up Day. We make annual charitable donations to various organizations as decided by the chapter as a whole. Some of those organizations include the American Cancer Society, the Keaton-Raphael Memorial, the Veteran's Guest House, etc.

However, our primary goal as a chapter is to just *have fun!* We have monthly camp-outs beginning in April of each year and continuing through October, usually on the third weekend of the month. From November to March we have indoor luncheon meetings at various restaurants, again on the third Saturday of the month. The camp-outs vary from dry-camping to full hook-up parks. See our list of future 2009 meetings for a better idea of the sites we visit.

At our camp-outs you will find the members enjoying potlucks (we do like to eat), playing games, sitting around chatting, playing a few more games, or whatever catches your fancy. We are all animal lovers and the pets range from dogs to cats to birds. They accompany us wherever we go. We also welcome children and grandchildren to our outings.
